## BOOK SYNOPSIS

Warning: this description has not been authorized by Pseudonymous Bosch. As much as hed love to sing the praises of his book (he is very vain), he wouldnt want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldnt want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.
