## **BOOK SYNOPSIS**

Im not a doctor or a healer. I am a woman who was diagnosed with an "incurable" autoimmune disease that was progressively getting worse despite the "standard of care" treatment. I was not satisfied with the results of my treatment or the complacency of the doctors from whom I sought help so became a scientist. I became my own doctor, my own healer, and I discovered how to reverse the dis-ease process in my body. I have helped hundreds of other people do the same and I believe that EVERY person diagnosed with autoimmune disease can reverse their illness.
